PRESENTATION COMPETITION

Objective

1. To provide students an opportunity to develop their skills in public speaking and presentation.
2. To sensitize students towards social issues by letting them express their views on the same through ppt

A group presentation competition was organized on 9th September 2017 for the students under project PEC. The competition was held in one of the classrooms of the college. Presentations were given on a wide range of issues concerning our society like traffic congestion, road safety, rights of transgenders in India, Female infanticide in rural parts of India, Environmental issues due to excess human tampering with nature, the impact of media exposure over today's Indian youth, etc.

20 Students participated in this event and made it a great success.

Outcome

All the participants performed very well and they also interacted and answered the questions of the audience. Students in a group of 8-10 presented their views and opinion through the medium of presentation.
