Objective

• To sensitize and motivate students towards the need for enrollment in Voters list.

As per University Circular no. 75/2017 dated March 09, 2017, the College, in order to sensitize students about the need for enrollment in Voters list, incorporated the question - "Have you enrolled your name in voters list?" in the College admission form. Those who had not done so were made to fill and submit an undertaking stating that they shall do so as soon as they complete 18 yrs. of age.

The forms were filled by all those who applied for admission in the college. The campaign was conducted during the period May-July, 2017 and reached a total of 1407 applicants.

Outcome

Students were alarmed that being a citizen of the country, it is their duty that they should enroll
themselves for voting and cast their vote.
