Mehta, a practicing advocate with law firm Mulla & Mulla who was coincidentally an alumni of the college. He focused attention on the importance of Intellectual Property Rights and how they need to be safeguarded and how these rights are frequently violated in the process of research by research scholars without the original authors being given any credit for their original work. The webinar went a long way in inculcating the spirit of honouring original works among the students and other participants of the webinar

OUTCOME OF THE PROGRAM

The participants of the workshop were exposed to the core areas of IPR. Most of the student fraternity were not so aware of the dangers of plagiarism and how intellectual property holds value for organizations. This program was successful in driving home this understanding among them.
