“Report on Feedback for A.Y. 2019-2020”

The College seeks feedback from various stakeholders using two types of questionnaires as suggested by NAAC as under:

- (a) Questionnaire 1: Syllabus and Course Content.
- (b) Questionnaire 2: Teachers' Quality.

Until the year 2018-19, the feedback used to be taken manually. However, the process used to be time-consuming and used to involve the use of lots of paper. Therefore, from the year 2019-2020, the College started the system of seeking online feedback using Google Form. The feedback link is activated in the month of March/April every year for a period of 15 days. IQAC prepares a notice for all stakeholders and calls upon them to give feedback on Syllabus and Course Contents and Teachers' Quality. Orientation sessions are organised for the students giving details of the role and importance of feedback and action taken by the College on the responses of the stakeholders.

Feedback on 'Syllabus and Course Content' is sought from the students and various other stakeholders such as alumni, teachers, parents and employers. The link is available on the College website for a period of 15 days. The students and alumni fill up the questionnaire and get them filled up from their parents and employer, where the students or alumni are employed.

Feedback on 'Teachers Quality' is sought only from the students. The students are given clear instructions to evaluate teachers who teach in their class. The feedback so collected is cross-checked with the demographic data of the students available with the college office to establish the authenticity of the registered students.

The output of the Feedback is generated online in Excel and analysed by IQAC with the help of the teachers and the office staff. The reports so generated are shared with the Head of the Department, Principal and the Management. The report on 'Syllabus and Course Contents' is sent to the respective Board of Studies, University of Mumbai for further action.

The report of the Feedback on Teachers' Quality is kept confidential and is directly shared with the Head of the Department and the Principal. The Head of the Department counsels the teachers on one-to-one basis and informs them about their strengths and weaknesses as reported by the students, so that the concerned teacher can capitalize on their strengths and improve upon their weaknesses. Thereafter, the report of the Feedback on Teachers' Quality is submitted to the Management through the Principal. The Management considers such reports over the period of time for promotion of teachers to the higher cadre.

“Report on Feedback for A.Y. 2020-2021”

The College seeks feedback from various stakeholders using two types of questionnaires as suggested by NAAC as under:

- (a) Questionnaire 1: Syllabus and Course content.
- (b) Questionnaire 2: Teachers' Quality.

Until the year 2018-19, the feedback used to be taken manually. However, the process used to be time-consuming and used to involve the use of lots of paper. Therefore, from the year 2019-2020, the College started the system of seeking online feedback using Google Form. The feedback link is activated in the month of March/April every year for a period of 15 days. IQAC prepares a notice for all stakeholders and calls upon them to give feedback on Syllabus and Course Contents and Teachers' Quality. Orientation sessions are organised for the students giving details of the role and importance of feedback and action taken by the College on the responses of the stakeholders.

Feedback on 'Syllabus and Course Content' is sought from the students and various other stakeholders such as alumni, teachers, parents and employers. The link is available on the College website for a period of 15 days. The students and alumni fill up the questionnaire and get them filled up from their parents and employer, where the students or alumni are employed.

Feedback on 'Teachers Quality' is sought only from the students. The students are given clear instructions to evaluate teachers who teach in their class. The feedback so collected is cross-checked with the demographic data of the students available with the college office to establish the authenticity of the registered students.

The output of the Feedback is generated online in Excel and analysed by IQAC with the help of the teachers and the office staff. The reports so generated are shared with the Head of the Department, Principal and the Management. The report on 'Syllabus and Course Contents' is sent to the respective Board of Studies, University of Mumbai for further action.

“Report on Feedback for A.Y. 2021-2022”

The College seeks feedback from various stakeholders using two types of questionnaires as suggested by NAAC as under:

- (a) Questionnaire 1: Syllabus and Course content.
- (b) Questionnaire 2: Teachers' Quality.

Until the year 2018-19, the feedback used to be taken manually. However, the process used to be time-consuming and used to involve the use of lots of paper. Therefore, from the year 2019-2020, the College started the system of seeking online feedback using Google Form. The feedback link is activated in the month of March/April every year for a period of 15 days. IQAC prepares a notice for all stakeholders and calls upon them to give feedback on Syllabus and Course Contents and Teachers' Quality. Orientation sessions are organised for the students giving details of the role and importance of feedback and action taken by the College on the responses of the stakeholders.

Feedback on 'Syllabus and Course Content' is sought from the students and various other stakeholders such as alumni, teachers, parents and employers. The link is available on the College website for a period of 15 days. The students and alumni fill up the questionnaire and get them filled up from their parents and employer, where the students or alumni are employed.

Feedback on 'Teachers Quality' is sought only from the students. The students are given clear instructions to evaluate teachers who teach in their class. The feedback so collected is cross-checked with the demographic data of the students available with the college office to establish the authenticity of the registered students.

The output of the Feedback is generated online in Excel and analysed by IQAC with the help of the teachers and the office staff. The reports so generated are shared with the Head of the Department, Principal and the Management. The report on 'Syllabus and Course Contents' is sent to the respective Board of Studies, University of Mumbai for further action.
