2017-2018

1. DISPOSAL OF DRY AND E-WASTE (7TH JUNE, 2017)

1215 kg of Dry Waste & 115kg of E-Waste was collected from college and handed over to Stree Mukti Sangathna for Recycling. Our college was awarded by Green Certificate from Maharashtra Pollution Control Board (MPCB). 25 volunteer had actively participated.

Objective: The main objective of disposing of dry and e-waste is to ensure that these materials are recycled or disposed of in an environmentally responsible manner. This can be done through recycling programs, reuse programs, or through proper disposal methods.

Outcome: responsible disposal of dry and e-waste helps to protect the environment and human health.

2. TREE PLANTATION WEEK (VANMAHOTSAV) (30TH JUNE-7TH JULY, 2017)

Tree Plantation were conducted and in all 130 saplings were planted at college premises, nearby BMC gardens and Arey Colony, Goregaon. On 30th June-7th July, 2017. 25 NSS Volunteers participated in Tree Plantation were 50 Trees Planted on first day and second day. Also, Street plays were performed by volunteers at Mahalaxmi Station, was conducted. 51 volunteers participated in the Tree Plantation Week activities.

Objective: The objective of this activity is to spread awareness about tree plantation Drive which was conducted to preserve the greenery in the locality. Tree plantation drive was carried out to tackle issues like environmental issues like deforestation, erosion of soil, global warming and hence enhancing the beauty and balance of the environment

Outcome: Students were seen planting trees in the locality with writing slogans on banners. They promoted tree plantation and also took preventive measures in keeping the greenery of the locality

2017-2018

3. SEMINAR ON VOTERS AWARENESS (12TH JULY, 2017)

A seminar was conducted by Mr. Rajendra, Election Office, Worli to make volunteers aware of their rights and responsibilities as voters. The procedure of enrollment was explained and volunteers were asked to conduct a Voters' awareness and enrollment drive in the college. Around 25 volunteers attended the seminar.

Objective: The objective of this activity was to educate the young generation know about the voting system as they are the future of the country it is the duty of the education system to impart the Information and inform students about the voting system and the election system and how does the election works

Outcome: We observed that students undertook stating that they shall enroll themselves in the voter's list when they complete 18 years of age. The students were waiting to turn 18 and the feeling of being able to vote in the election's as each and every vote in elections count

4. AWARENESS AND CLEANLINESS DRIVE AT MAHALAXMI STATION (28TH JULY AND 29TH JULY, 2017)

A two days Awareness and Cleanliness Drive regarding Swachha Bharat and a steet play were performed by N.S.S Volunteers at Mahalaxmi Station. collaboration with NGO as per the instructions received from NSS cell University of mumbai wherein in 38 volunteers participated. Volunteers created awareness about cleanliness and steet play were performed by N.S.S. Volunteers and the importance of keeping the surrounding clean. This activity was organised on 28th July and 29th July, 2017.

Objective: To Create awareness among communities towards sanitation and cleanliness.

To promote cleanliness in society's, communities and other public places and to make India Clean

Outcome: Due to this the Students of NSS were motivated and they started promoting Swachh Bharat abhiyan by using banners and slogans.

2017-2018

5. TREE PLANTATION AT AAREY MILK COLONY (1ST AUGUST 2017)

108 saplings were planted by the volunteers at Aarey Milk Colony, Goregaon. 54 volunteers participated in the activity.

Objective: The main objective of tree plantation is to protect the environment, increase the amount of oxygen in the atmosphere, reduce soil erosion, increase biodiversity, provide habitat for wildlife, and provide a variety of products for humans to use.

Outcome: Planting trees can also help to reduce the impacts of climate change, such as reducing the effects of floods and droughts. Additionally, tree plantations can provide habitats for wildlife, increase the aesthetic value of an area, and provide food and shelter for humans.

6. STEM CELL REGISTRY (2ND AUGUST, 2017)

The Stem Cell Registry awareness activity were conducted in collaboration with Marrow Donation Registry of India (MDRI) as per the instructions received from NSS cell University of Mumbai wherein 21 volunteers participated, where 144 Candidates registered themselves

Objective:

The objective was to register the Stem Cell and spread awareness about the bone marrow registration

Outcome:

All the volunteers participating in this activity got their Stem Cell registered and they spread the awareness among their family, friends and locality about this. They also provided information on how to register the bone marrow
